

August, 18 2020

Dear PREP and CGS Families,

The 2020-21 school year has presented unprecedented challenges. We're being equipped to safely and effectively deliver catechesis while maintaining safety, building community, and serving the spiritual needs of our children. This school year we will go with remote catechesis.

Last week our parish made the decision of going remote for PREP this school year. Until then we were planning to go in person this fall on 9/15 and I had everything in place until we saw how difficult it will be to comply with all the regulations for the CDC, Dept. of Education and Diocese health and safety rules. This is the reason we didn't have registration for PREP until today.

At this point we are attempting to **start PREP around October 15** but may be early depending on our progress. It will be recorded lessons from "Christ Our Life": New Evangelization Edition from Loyola Press. Your child will have a hard copy book to follow my lessons by YouTube. Please have patience with us. There will be some classes person to person for all the sacrament students at our FLC. Schedule for in person for those kids (3rd, 7th & 8th) will be advertised as soon as we have it.

Please note that due to Covid-19 our 8th Level, confirmation candidates for November 11, 2020, will not need to be registered. There will be a few classes in person for this group of students.

You will be receiving by email the calendar year as soon as we will have it. Thanks for your patience and please keep our PREP in your prayers.

God bless!

St. Benedict's PREP
